Please join the United Methodist Men out on the golf course as we pay tribute to the life of Norman Ramsey. We will share some stories and reminisce as we engage in one of Norman's favorite activities. This event is designed to be fun for *everyone* who can participate. Keep in mind that you don't need to be a good/great golfer to enjoy this day. Norman used to say that you could tell a lot about a person's character by playing a round of golf with them.

There will be an awards presentation immediately following the tournament with lots of prizes and giveaways to be awarded.

We only have room for a maximum of 144 golfers (36 teams) for this event. To help us plan, and to make sure your spot is reserved, please pre-register by completing this registration form. You can also email Jim Cinocca or Glen Phillips, or fax the First United Methodist Church of Owasso's office.

All Men, Women and Children are invited to participate.
